PROPOSAL FOR SPONSORSHIP

To All Pharmaceutical Industry Business Partners

As part of its continuous activity ISPE Indonesia Affiliate will hold 5th Annual Conference on April 10 and 11, 2012. There will be two tracks of very important topics presented for this conference. The first is on **CONTAINMENT IN HAZARDOUS COMPOUNDS CROSS CONTAMINATION PREVENTION** and the second will be on **VARIOUS ISSUES and REGULATORY**. By presenting these 2 important topics we are sure that this event will be participated by key personnel in the industry.

These are the following of the main topics :

- Containment in Hazardous Compounds Cross Contamination Prevention
- Building Block Across Product Lifecycle will discuss about:
    - Technology Transfer
    - ASEAN Variation Guideline vs Indonesian Drug Registration Variation
    - Supply Chain
    - Good Storage Practices
    - Good Distribution Practices
    - Other important issues in pharmaceutical industries

The venue of this conference will be : Shangri-La Hotel, Jakarta, Indonesia Room

We have several options as tool to promote your products/services during the event as follow :

1. Sponsor speaker : IDR 75,000,000 will have the benefit of 60 minutes presentation on knowledge related to the topic in the program, and 2 persons free attending the conference.
