

20-23 September 2010 | Sheraton Hotel, Brussels, Belgium

In four days, the ISPE Brussels Conference offers knowledge updates (case studies, workshops), industry and regulatory information, as well as valuable networking opportunities.

The ISPE Brussels Conference provides to your employees

- **Knowledge and skills** - seven educational seminars delivered by area-experts. Seminars include workshops, case studies, roundtable discussions, best practices sharing, and regulatory viewpoints
- **Professional network** - attendees can engage with peers and thought leaders to gain insights, and learn about new products and solutions from suppliers.

What value will ISPE Brussels Conference bring to your organisation?

ISPE is the world's largest not-for-profit society serving pharmaceutical science and manufacturing professionals.

The ISPE Conference offers unique opportunities to gain knowledge, exchange of best practices and case studies, and attend valuable training.

**Thank you for providing your employee the opportunity to attend
ISPE Brussels Conference 2010.**
